### **4500 Administrators/Supervisors**

#### ***4504 Performance Based Compensation***

The Superintendent or designee may implement a performance based compensation system for building level and central office Administrators regularly involved in instructional matters pursuant to Revised School Code Section 1250 and State School Aid Act Section 164h. The system must include job performance and accomplishments as a significant factor in determining compensation and additional compensation and be based, at least in part, on student growth data as measured by assessments and other objective criteria for effective and highly effective professionals.

The Superintendent may recommend merit pay to the Board for non-instructional Administrators, Supervisors, and Directors.

Collective bargaining agreements covering administrative personnel regularly involved in instructional matters must include a method of compensation that complies with this Policy.
