

EVART ELEMENTARY SCHOOL

EES Return to School Highlights

Masks

Elementary students will have to wear masks while riding a bus, leaving their cars, or before they enter the building if they are a walker. They will also need to have a mask on when in the hallway or other common areas.

When they are in their own classroom, students will not be required to wear a mask.

Adults will wear a mask throughout the entire day.

Cleaning

Our custodial team will be cleaning throughout the day, following a scheduled routine. "High touch" areas will be cleaned frequently, following the guidelines shared by the Health Department & the state.

Staff will be teaching all students to wash hands thoroughly, with soap & water. Time will be scheduled throughout the day for students to wash.

Additionally, hand sanitizer will be available to all students in all classrooms.

Screening

All students will have their temperature checked daily. Those who ride the bus will have it checked before boarding the bus. Car riders will have their temperature checked before leaving the vehicle & walkers will be checked before entering the building. Those students with a fever will not be allowed to stay.

Students who develop symptoms during the day will be quarantined until they can be picked up.

Staff will be required to self-screen daily.

Virtual learning provided by EPS staff will be available for those families choosing that option

Please complete the Virtual Survey if you are choosing that option
