Breakfast and Lunch For ALL Students

We are very excited to announce that Evart Public Schools will be participating in the Community Eligibility Provision (CEP) program for the 2020-21 school year. What this means is that all students can receive a healthy breakfast and lunch at **NO CHARGE** for any student. However, to ensure that we do not lose any funding of other state funds that we use for social workers, counselors, aides and many other things, we need to have every single household fill out a Household Information Report. It does not matter if you know you would not qualify for free or reduced lunch, or if you normally would fill out the free lunch application, or if you usually receive a letter saying your child already qualified. This year is different – **EVERY HOUSEHOLD MUST FILL OUT THE FORM**. You only need to do one form for the entire household not for each student. All students living in the home are listed on the form.

The form is available on the district website at evartps.org. Please complete the form as soon as possible. If we do not get all the forms filled out and returned, we may lose some of our state and federal funding. If you have already filled out the form – thank you. You do not need to do it again.

Thank you in advance for taking the time to complete the Household Information Report. Your help in securing all the funding for our students that is available is greatly appreciated.

Back To School

We continue to finalize details for starting school on August 19th. Principals will be mailing building information out on Friday. New regulations that will have to be followed in order to have face to face instruction will be included. The district Covid-19 Preparedness and Response Plan will be posted on the district website at evartps.org on Thursday, August 13th. If you are selecting the online option for your student(s) when school starts please fill out the registration form found on the website.

New To Evart Public Schools

Welcome to our district. We look forward to meeting you. If you have children who need to enroll in our schools, please call the building where your child would be attending to get an appointment to register your students. Secretaries are back in the offices. Normally we would be having open houses before school starts but with the restrictions now in place this will not be possible this year.

Elementary School (PreK-4) – 231-734-5595

Middle School (5-8) – 231-734-4222

High School (9-12) – 231-734-5551

We look forward to meeting our new families.
